

Leadership Development Resource

As part of our personal growth program, participants are encouraged to review inspirational content related to discipline, resilience, and leadership.

Recommended Video:

<https://www.youtube.com/watch?v=b-Pn0yXL9y8>

This video discusses how small daily habits can have a significant impact on long-term success. It emphasizes personal responsibility, perseverance during difficult situations, and the importance of maintaining discipline even when facing challenges.

Task:

Review the video and identify the key lessons that can be applied to academic, professional, and personal development.
